talk talk talk talk talk
talk talk talk talk talk
talk talk talk talk talk

what if
what if
what if
what if
what if

what if brian has not said much lately
talk talk talk
do my best not to feel as awkward as i do

that
is what
my design
is for:

t o p u t m y s e l f o u t t h e r e

talk talk talk talk talk

i hear about

people

talking about

how it hurts
to be told you

you are annoying

i think people

don't think they have
an option

to be the person
you are

BECAUSE SOMEONE
REMINDS YOU
OVER AND OVER
AGAIN

but i also
think they have
a right to live
as in

your life

i hear
about
people talking
way

it's way someone else
can be yourself,
to me you always
reminds me
of who i am.

that's
not about
you,

and i want you to be
the same way:
to say
nice things
about the
people you love
in your life.

i

am

so

28:00

I THINK

I THINK

I THINK

I THINK

I THINK

I THINK

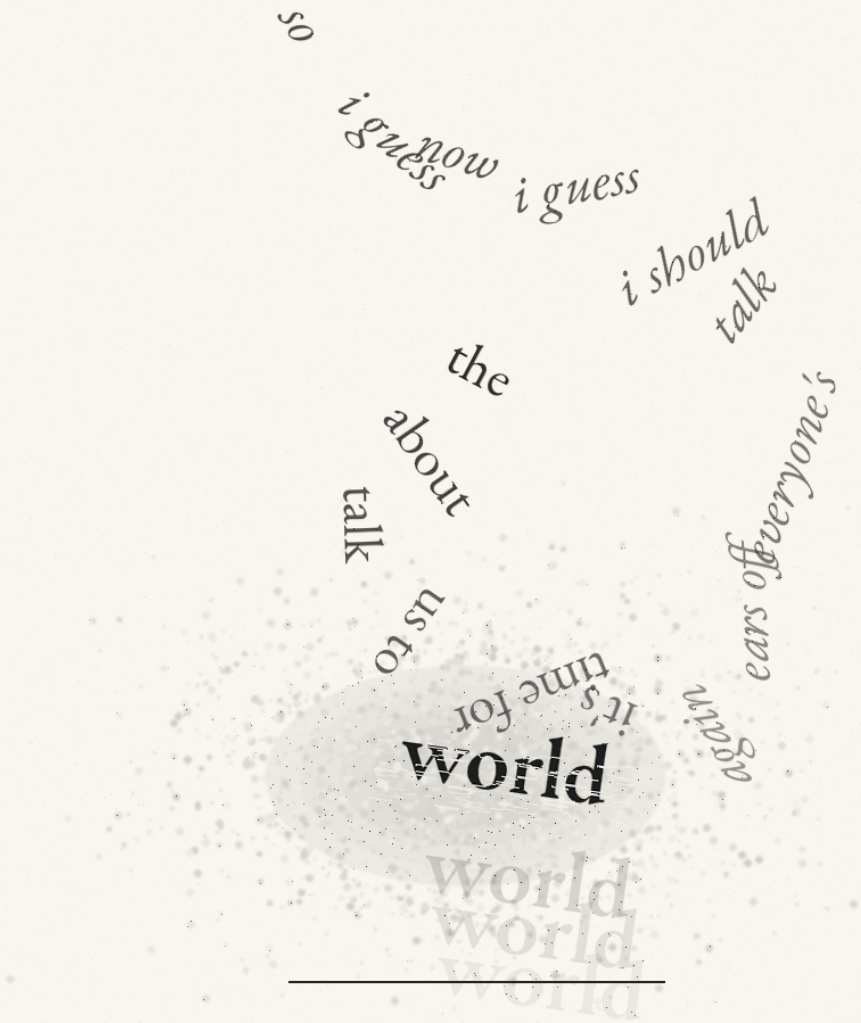

I THINK

I FEEL

I THINK

ok its time for
a new topic

i think ——— think

so
i guess now
i guess
i should
talk
the
about
talk
us to
it's time for
world
again
ears of everyone's

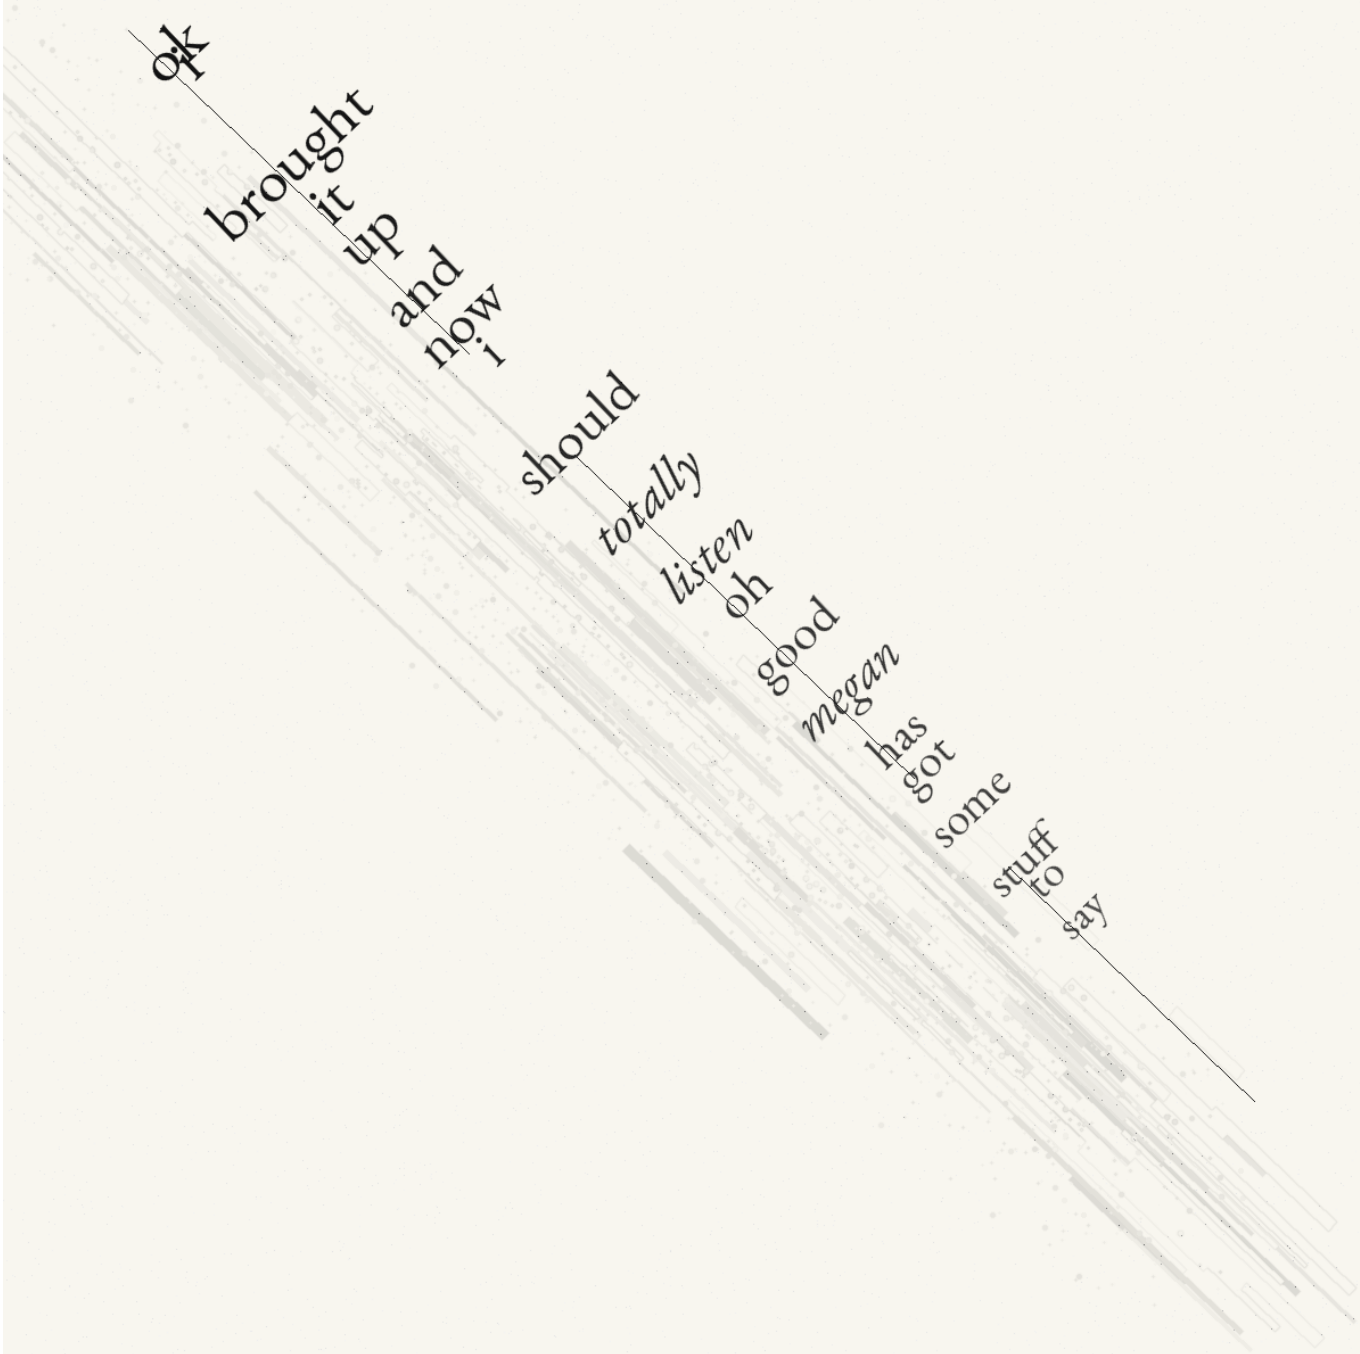

30:00

don't *think* we have *talked* about

the color of our

thumb & toes

maybe the world should wait

ok
brought
it
up
and
now
i
should
totally
listen
oh
good
megan
has
got
some
stuff
to
say

it really sucks to know people hate you. i have had such a fun time on this project and knowing how people have hated my presence really kind of ruins it. sorry seniors for being annoying. sorry seniors for being in the way man sometimes it's hard to like myself when i ruin things for others i'll have to work on respecting their space better. it's funny how little things like can make such a big impact on who i am. sorry seniors, i'm sorry
